Becoming a Host at OpenEmbassy

Newcomer — 1
Someone who has recently arrived to the Netherlands.

2 — **Participant**
A person in an expert pool who shares their lived experiences.

Cultural Mediator — 3
A person who leads a group of participants in their mother tongue. They ask research questions and note the answers in a transcription.

4 — **Community Builder**
A person who acts as a 'key figure' in our communities, actively recruiting participants for research.

Co-host — 5
A researcher responsible for group logistics. They also support the host in their duties.

6 — **Host**
A researcher responsible for program development, leading the session and maintaining the group dynamic.
